

PPO Thrive First \$500 National - LG PPO Benefit Chart

This chart provides a summary of key services offered by your plan. Consult your Member Agreement for a full description of your plan's benefits and provisions.

Please note: For Out-of-Plan services, you are also responsible for any Remaining Balances. A Remaining Balance is that portion of an Out-of-Plan Provider's charge that is above Health New England's Allowed Amount.

Note about Prior Approval:

Some services may require Prior Approval. These services are marked with † in the chart. In some cases, if you fail to ask for Prior Approval the service will not be covered at all. (See, for example, Infertility Treatment below.) In other cases, for example Acute Hospital Care at an Out-of-Plan facility, if you fail to ask for Prior Approval you may have a Reduction of Benefit up to the amount indicated below. Remember that exclusions or limitations of this plan still apply, even if you ask for Prior Approval. For example, services that are not Medically Necessary are not covered, even if you ask for Prior Approval.

	In-Plan Providers Health New England & PHCS	Out-of-Plan Providers
Deductible per Plan Year: This health plan provides "first dollar" coverage of \$500 per Member per Plan Year for most In-Plan medical services. The first dollar coverage excludes prescription drugs and most other covered services for which the overall Deductible does not apply. This means that each Plan Year, the Plan will cover the first \$500 for most In-Plan medical services at no cost to you. Once the \$500 maximum has been reached, the Deductible will begin to apply for In-plan services. First dollar coverage does not apply to Out-of-Plan services.	\$3,000 per individual / \$6,000 per family	
In-Plan Out-of-Pocket Maximum: The most you pay for cost sharing on Essential Health Benefits during a Plan Year before your plan begins to pay 100% of the Allowed Amount. This is a combined amount for Health New England & PHCS Providers.	Medical: \$6,000 per individual / \$12,000 per family Prescription Drugs: \$1,000 per individual / \$2,000 per family	Not applicable
Out-of-Plan Out-of-Pocket Maximum: This is the most you will pay in a Plan Year for the combined cost of your Medical Deductible and Coinsurance for Covered Services from Out-of-Plan Providers.	Not applicable	\$10,000 per individual / \$20,000 per family
