

PPO Wise Max 2000 National HDHP SG High Deductible Health Plan PPO Benefit Chart

This chart provides a summary of key services offered by your plan. Consult your Member Agreement for a full description of your plan's benefits and provisions.

Please note: For Out-of-Plan services, you are also responsible for any Remaining Balances. A Remaining Balance is that portion of an Out-of-Plan Provider's charge that is above Health New England's Allowed Amount.

Note about Prior Approval:

Some services may require Prior Approval. These services are marked with † in the chart. In some cases, if you fail to ask for Prior Approval the service will not be covered at all. (See, for example, Infertility Treatment below.) In other cases, for example Acute Hospital Care at an Out-of-Plan facility, if you fail to ask for Prior Approval you may have a Reduction of Benefit up to the amount indicated below. Remember that exclusions or limitations of this plan still apply, even if you ask for Prior Approval. For example, services that are not Medically Necessary are not covered, even if you ask for Prior Approval.
