This chart provides a summary of key services offered by your plan. Consult your Member Agreement for a full description of your plan's benefits and provisions.

## Note about Prior Approval:

Some services may require Prior Approval. These services are marked with † in the chart. If you do not obtain Prior Approval, benefits may be denied.

	In-Plan
Combined Medical/Pharmacy Deductible per Plan	\$2,000 per individual / \$4,000 per family
<b>Year:</b> You must pay this amount for Covered Services before Health New England will begin to pay benefits. As indicated in the chart below, some services are not subject to the Deductible. If your plan includes prescription drug coverage, your prescriptions are subject to this Deductible.	Once any individual on a family plan has paid \$3,200 towards the family Deductible, the plan will begin to pay benefits for that individual.
<b>Out-of-Pocket Maximum:</b> The most you pay for cost sharing during a Plan Year before your plan begins to pay 100% of the allowed amount.	Medical Out-of-Pocket Maximum (includes prescription drugs and chiropractic services): \$6,700 per individual / \$13,400 per family
	Pediatric Dental Services Out-of-Plan Maximum: \$350 per child / \$700 per family
	Total Out-of-Pocket Maximum: \$7,050 per individual / \$14,100 per family
